Legislators Need to Hear from Us

As VAPGA members representing propane businesses across the state, our goal is to stay on top of issues affecting our industry and communicate with those who develop the laws by which we must abide. At the 2010 Winter Meeting in Richmond, you will have a chance to meet* with state legislators and regulatory officials to discuss key concerns and issues our industry is facing.

This meeting is a great lead-in for Propane Days in Washington, D.C., scheduled for June 8-9, 2010. With several important issues affecting propane businesses in Virginia, the Winter Meeting and Legislative Reception is your chance to an active partner in VAPGA.

*Members are encouraged to make appointments with their state delegates prior to the meeting. Visit <http://legis.state.va.us> to enter your address and obtain your state senator and delegate's contact information.
